**Updates from Father Bob**

The directors are continuing to meet regularly to ensure a smooth transition to new pastor. A solution for the 4:30pm Mass at St. Gregory has been reached. The Ordinariate should hear from the Cardinal this month to see if they can use St. Gregory Church. If it is a go, we would consider adding a second Mass on Sunday at 12:30pm. St. Gregory's Hall is thinking of developing a catholic culture experience supplement for the Catholic schools. This will enable SGH to be of service to a larger community. SGH is exploring starting a program this summer (5 days to start) to take place during the day. The focus will be more cultural, less sacramental, and it will help build relationships with schools. We will also be taking in an intern to help with SGH & parish communications. Fr. Alejandro first official day will be May 8<sup>th</sup>.
