The book of Hebrews is like a little *Catechism*. It is steeped in rich truths that are foundational to our Catholic Faith, but its highly refined theological concepts can be difficult for even the most seasoned Bible scholars to unpack. Presented by Andrew Swafford and Jeff Cavins, *Hebrews: The New and Eternal Covenant* draws out the riches of this sublime book in a way that makes them easier to understand. It draws connections between the Old and New Testaments, the Liturgy, the Eucharist, the priesthood, and so much more.
