Parking Lot The parking lot situation before/after the 10:30am and 12:30pm Masses at SI has gotten out of hand. The two options are to a) hire a security guard or b) obtain a group of volunteers to oversee the parking.

Outreach We welcome back Br. Ayub Mwenda as the coordinator of the FP operations. He is glad for the improvements that have been made with the facilities and what has been done for

the client's shopping experience. There is a big need for volunteers during the morning hours at the FP (9am to 11:30am). And on Wednesday's (10am to 12pm) to receive the food deliveries and to restock the shelves. It is a plus if we can have those who speak other languages to accommodate our client's needs (i.e. Russian, Ukrainian, Spanish, Vietnamese, Mandarin/Cantonese, Korean, and Polish). Br. Ayub Mwenda believes that the Holy Hour that is offered at STC on Tuesdays is what has kept any incidents away from the FP and encourages the Council and those present to continue praying for the needs of the FP and SK.
